Dear Parent,

Your child will be viewing the “Invisible: A Fight to End Human Trafficking Documentary” (available on YouTube) video presented at Huntington North High School on Monday, December 14, 2020.

The documentary discusses human trafficking and the dangers specific to teens through interviews with law enforcement officers, doctors, legislators, social workers, and those who have experienced human trafficking themselves.

The video supports Erin’s Law regarding teaching students to recognize sexual abuse and also supports Indiana’s Heather Law, which states that schools are required to show and discuss examples of dating violence within their curriculum ([IC 20-30-5-5.7](#)).

Any questions about the program can be directed to me via email at RGilg@hccsc.k12.in.us or via phone at (260) 356-6104.

Sincerely,

Rief Gilg
Principal
Huntington North High School
