

HNHS VIKING PRIDE ADULT BOOSTER CLUB

During the 2018-2019 school year, all Viking teams continued to compete at a higher competitive level as members of the NorthEast 8 Athletic Conference. We continue to look forward to hosting our conference members and their fans. Along with more similar demographics of the members, we can also appreciate the decrease in travel to the other schools of our conference. Therefore, we are excited about the expected increase in attendance at all of our athletic events.

Our student-athletes continue to claim multiple conference, sectional and higher championships, including having individuals in numerous sports compete for semi-state and state titles. Your support will help pay for recognition of our student-athletes' hard work and accomplishments.

The **HNHS Viking Pride Adult Booster Club** works to support the entire HNHS athletic program and all Viking sports teams. Your membership will help us continue to provide recognition, awards, equipment, encouragement, and support for all HNHS student-athletes. Memberships are available at five levels. Your name will appear on the Viking Pride Adult Booster Club page in the Sports Programs.

Our plan this year is to prepare premium athletic programs which will be available at all athletic events, which usually number approximately 140 per year. As members of the VPABC, we will acknowledge your support of our hard-working student-athletes. Your continued support is very important as we encourage our future leaders.

White Level \$25	Red Level \$50	Black Level \$100	Varsity Level \$150	Viking Level \$300
