Message from Mr. Degitz.....

We have had a great start to the 2018-2019 school year! Our students and staff have demonstrated remarkable energy, excitement, and focus these first days of school. Although the newness of the year will soon wear off and some of the excitement may fade **READ MORE...**

SENIOR Parent Meeting - Aug. 29

Counselors will meet with parents and students in regard to college admissions, financial aid, dual-credits, advanced placement courses, and testing information (SAT/ACT) on August 29 at 5, 5:30, 6, and 6:30 pm in the **Room 709**.

Counselors will meet with all seniors during homeroom to go over the above information, as well as graduation requirements and future plans. Parents and students of any grade level are welcome even though information is more specifically designed for seniors. Reminders for this important meeting will be sent via school communications as the date approaches.

Future³ Fair

HNHS invited over 40 colleges and universities, trade schools, local employers, and military branches to join us on August 29 comment 2018 for our Future³ Fair. **READ MORE...**

V.I.P. Viking Ignite Program

Homeroom may look a little different to students this year at the high school. We have restructured homeroom in an effort to connect with students **READ MORE...**

Homework help...

Throughout the year many students are at home working on their is under vacuum or anything homework and get stuck. A parent may or may not be able to help them with the subject matter. There are several great websites that you and your student can turn to for help in math. **READ MORE...**

SAT & PSAT Prep- FREE

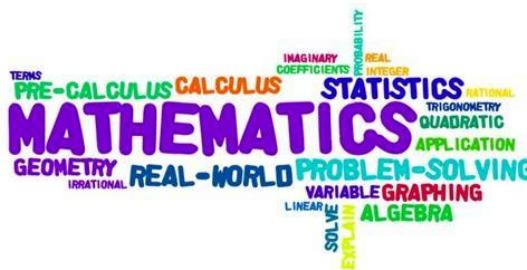

You can practice other skills any time you'd like, even if we didn't recommend them to you.

- **Video and text explanations will help you learn the skills covered on the test** and show you how the test is structured.
- **Be sure to take some full-length practice exams, too!** We recommend taking them without interruption to give you a sense of what to expect on test day.

Department Highlights

HNHS Math Department Welcomes New Teachers

Huntington North is excited to welcome three highly qualified teachers who are joining the math department:

- **Brenna Crozier** will be teaching algebra. She has been teaching math for 20 years. She is married to Matt Crozier who also teaches math at HNHS and they have 4 kids.

- **Lexus Held** will be teaching algebra and geometry. This will be her second year of teaching mathematics. She is engaged to be married next June.

- **Luann Watson** will be teaching algebra and geometry. She spent 20 years as a unit clerk in the medical profession and she has taught math and science for 16 years. Luann is married and has 4 kids and 5 grandkids.

Academic Teams

Once again, the HNHS Academic Team is about ready to begin its season. Each October, the academic team is formed and begins working on their material. The team consists of about 20 to 30 students who compete in the fields of Math, Science, English, Social Studies and Fine Arts [READ MORE...](#)

Opportunities Available in Math

With the central purpose of preparing students for college and careers, a very important skill set is the ability to problem-solve and deal with mathematical situations. There is a wide variety of opportunities and resources available in our math program to do just that.

Huntington North offers several advanced math elective courses, three of which are **dual credit** through Purdue Ft. Wayne: AP Calculus, Pre-Calc & Trigonometry, and Finite Math. We also offer two **advanced-placement** courses: AP Calculus and AP Statistics. In addition, we offer [READ MORE...](#)

Math 10 Course

HNHS is offering a new math course, Math 10, designed to give practice and support for students who will be taking the grade 10 Math ISTEP+ Test. The course will immerse students in algebra while introducing and developing key geometry concepts.
