

College Board Opportunity Scholarships

A Clearer Path to College for All Students

College Board is investing nearly \$5 million per year in the College Board Opportunity Scholarships, with half of the scholarships designated for students whose families earn less than \$60,000 per year. Planning and paying for college is complicated, so we've created a program that guides students through the process and rewards their efforts. Your students are eligible to earn scholarships by taking the following actions during certain windows in their junior and senior years:

2. Practice for the SAT®: \$500	Start preparation for test day by completing one Timed Mini Section or one Diagnostic Quiz with Official SAT Practice on Khan Academy .	Junior Year Through Fall Senior Year: December–October
3. Explore Scholarships: \$500	Use College Board Scholarship Search to explore a list of scholarships personalized for you, based on your background, achievements, and future plans.	Summer Junior Year Through Winter Senior Year: July–February
